Dental waterline testing log

LOG TEMPLATE

Check this template against your local regulations and your own policies before you use it.

Business _____ Location _____ Date _____

- Record each chair's morning flush and line treatment every day.
- Test the water from each chair as often as your guidelines and the maker say, and write the result.
- If a test fails, take the chair's water out of use for treatment, shock-treat the lines as the maker says and retest before using it.
